

## MUCH Site Search Criteria and Area

Manchester Urban Cohousing is seeking a site in the South Manchester area, minimum 0.5 acres, on which to develop a cohousing community for older people which will consist of around 15 to 20 homes for 18 to 30 people with communal facilities. A new-build development is the preference but refurbishment could be considered.

The preferred area is shown here:

The preferred site will be:

- Close to public transport and with easy access to the city centre
- Big enough for a shared garden
- Have parking available in nearby streets as well as on site
- Have reasonable air quality – so not on a busy main road
- Close to shops, chemists, other essential retail
- Close to doctor's surgery, leisure centre
- Within easy access of the countryside
